High Quality, Durable, Formative, & Faithful
CATHOLIC BOARD BOOKS

Joyful Little Catholics creates and sells high-quality board books for toddlers to learn their Catholic faith. Our first launched book, *My First Catholic Words*, is a great place to start for any young child learning their faith, using a point and learn model that introduces common catholic objects and terms. *My First Church Tour*, our second book, builds on this by explaining common areas of a parish.

“We love this little book! Our 5 year old emerging reader brought it to Mass this week and really enjoyed finding all of the things in our church. I wish we had this for our older kids when they were little!”
